Transportation during winter... What to do in case of delay or cancellation?

*Check our website at www.centrenord.ab.ca under the menu:

»English / Programs and services / Transportation / Late Bus & Cancellation or on Twitter@CSCNTransport.

*If you have not received a notice of delay, and the bus has still not arrived 10 minutes after the scheduled time, call the bus company with your bus number and your bus stop.

* If the bus is canceled for the day and you decide to drive your child to school, you will be responsible for his/her transportation at the end of the day.

*Be ready, have a plan B for the unexpected! In very cold weather, you are responsible to ensure that your child is dressed adequately and remains safe until the bus arrives in the morning and at drop off in the afternoon.

Sick students at school

When a student comes to school sick, he/she may spread the sickness to others. If your child is not feeling well, it may be wise to keep him/her at home until he/she is well.

Changes with your contact information

It is very important to inform us of any changes in address, phone number, and information about contacts in case of emergency. Updating your child's personal file is more than essential since this is what we use in order to contact you in the case of an emergency.

Francophone Catholic Community

The Francophone Catholic Community of St. Albert is committed to supporting parents who wish to accompany their children to receive their sacraments. For more information click on the links in the French section of the weekly news.

We still need volunteers

The Parent Society is looking for volunteers for its major fundraiser that will take place on February 16 and 17, 2018. This fundraiser will bring approximately \$ 20,000.00 which will enrich our students' learning experiences.

If you are available, please contact Mélanie Dallaire: melaniedallaire@hotmail.ca

Thank you for your valuable support.

Have a great weekend!
