Information Night for the next school year 2018-2019 – February 22 at 7 Pm

For new parents and parents of a child in kindergarten in September 2018

Do you know a family who is interested in our school?

Please, inform them of our information night that will take place on Thursday, February 22nd, at 7:00 pm. We will present our excellent school programs and our kindergarten program. École La Mission offers an excellent francophone program for children in Kindergarten to Grade 6. The age requirement for Kindergarten students is 5 years old by March 1st, 2019 and for Grade 1, 6 years old by March 1st, 2019.

The best promotion for a school is the word of mouth of its satisfied parents. Please tell other families that have one francophone parent about the success of our programs. Even if their children are presently in immersion programs, they are welcome to come and visit our school. We will gladly show them around and I will be pleased to answer any questions they may have.

Babysitting will be provided at the school during this meeting.

N.B. Students already enrolled in the school do not have to re-enroll at this time. Registration renewal kits will be sent upon return from spring break.

Survey

From January to the end of February, Alberta Education will be conducting the annual Accountability Pillar Survey. In January, you will receive a survey from Alberta Education. Students in grades 4 to 6 and all teachers will be completing their surveys online at school. All surveys are anonymous and ask questions about experiences with the school. In addition to English and French, the parent survey is available in many other languages. Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly. Survey results will be available to school authorities in May 2018, and will be reported publicly as part of their 3-Year Education Plans and Annual Education Results Reports.

Thank you for taking the time to give us some feedback.
