### Punctuality

Punctuality is an important value at our school. Each parent is responsible for the attendance of their child. A child who is late misses part of the lesson being though and is disturbing to the classroom. Students should be seated and ready to start on time first thing in the morning. It is a mark of respect for the teacher and all classmates but it is especially a must to develop good future habits.

We will continue to strengthen this practice throughout the year. Remember the first bell is at 8:42 am and the last at 3:20 pm. We thank all the families who drop off and pick up their child on time.

### Parents and visitors

We ask that you present yourself at the office to sign the visitor register and receive a visitor card when you come to school *at all times*. It is very important not to disturb the operation and teaching in the classrooms. Similarly, if you pick up your child for an appointment, we ask you to present yourself at the office and wait for your child in the front entrance. We will call your child to come and meet you. We try to minimize disturbances in the classes. It is also a question of security. Thank you for your understanding.

Have a great weekend!
