Principal's Message

Dear families,

I take this opportunity to wish you all a very Happy New Year! May the Lord bless you with happiness, health, and prosperity!

I would like to extend a special thank you to all parents who generously give their time and energy to ensure the success of various projects for the school. Particularly, I would like to thank those of you who invest themselves in our Parent Society and Parent Council. A special thank you to those who helped prepare and serve our Christmas lunch on December 22nd. It was a special opportunity for our students and staff to gather and share during this beautiful time of year.

We are planning many activities for the next few months. Please, stay informed by reading our weekly news as well as calendar.

Have a good month of January and stay warm!

Running Room Games

During the month of January, we will select the students who will represent our school in the "Running Room Games" in February. Mr. Larouche will be training this year's team.

Going on vacation?

Please note, the administrative procedure followed by our School Board for absences due to vacation: *"When parents withdraw their children from school for an extended period of time (example: a trip, vacation, etc.), principals and teachers are not required to provide homework, exercises, projects, etc. to the student during the period of absence or upon his return.*

However, work can be prepared if the teacher is willing to do so."
