St. Albert Food Bank

During the month of March we collected more than 80 bags of non-perishable food (940 lbs) for the St. Albert food bank. Students in grades 4/5/6 had the opportunity to bring our donations themselves and spend a few hours sorting out the food that will be distributed to over 300 families in need in our community. This activity was very rewarding for our students and many expressed a desire to return. We thank all our families for their generosity.

Congratulations

Thank you ...

... We would like to thank the parents who call the school to report the absence or delays of their child. When we have the cooperation of the parents, the task becomes less burdensome for our secretary. Many parents leave a message in the voicemail box or by email. Thank you and continue!

... to our parents who make sure their children arrive at school on time to start classes.

... to our parents who continue to speak positively about our school to others and believe in our vision and mission. We sincerely believe that we offer an excellent program for all our students. We are proud of them and always want the best for them.

... to all our staff members who generously give their time to do extracurricular activities at school.
