Preparing for the 2018-2019 School Year

The registration renewal forms for the 2018-2019 school year were sent home on Monday with the youngest student in the family. Please return these forms to school before April 20th. This information will allow us to better plan for the next school year.

Sports Academy Program

Families enrolled in the Sports Academy program at this time have priority to renew their registration for next year until April 26th.

Registration packages will be available for new families on May 1st.

Our information night about the program will be held on Wednesday May 2nd at 7pm.

Congratulations...

We would like to share with you a great community engagement project from a group of our grade 6 students during spring break.

After their fieldtrip to the St. Albert Food Bank on March 22nd, a group of students were fully inspired. They decided, entirely on their own initiative and in their spare time, to develop a food collection project for the food bank. The idea was born at school after the visit, and materialized in the days that followed during spring break.

Alyssia T., Valerie S., Juan V., Angelika M. and Ariane C. have planned and organized everything in 3 meetings. They talked about logistics and executed their plan of action to perfection.

Among others, they did:

- an action plan that they followed very well
- the design of the flyer to be distributed
- the distribution of the flyers in mailboxes
- collection of donations generously left by residents at their front door to be brought to the food bank.

Congratulations on this superbly executed and successful group project.

We are very proud of you.
