June's Newsletter

For the month of June we will send you one newsletter with all the important information to come before the end of the school year. We will continue to send our weekly news which will only have important dates and links.

Library

We ask that all books and videos be returned to the library during the week of June 4th. We need the last few weeks for inventory. Congratulations to the students who have always been punctual. This greatly facilitated the task for returns, but above all it allowed a continuous circulation of books and videos.
